

NHS "Paint Your Space"

Rules and guidelines:

1. Student will be required to secure reservation and design approval prior to applying artwork.
2. The design proposal must be approved by Mrs. Heath or Mrs. Jaramillo. Variation from the approved design proposal will warrant surrender of the reserved space for the remainder of the term and forfeiture of the fee, meaning NO refunds. A copy of the design proposal will be kept on file in Mrs. Heath's office.
3. We encourage students to express themselves through the artwork in their design. We also ask that the student's name be included somewhere in their design. Inappropriate words, symbols, or pictures will obviously be prohibited.
4. Students will be required to provide their own exterior latex paints to be applied with brush, roller, or sponge. NO SPRAY PAINTS OR SPRAYER DEVICES ALLOWED. It is important to note that students may not paint anywhere outside of the designated space and must leave an 8 inch space between their design and the white parking lines
5. "Paint Your Space" days for this year are Friday, August 16 from 3-7 pm, Saturday, August 17 from 8 til ??, and Friday, August 23rd from 8-3. These times will be supervised and monitored. These are the only days that students are allowed to paint their spaces.
6. Again, failure to follow any of the above rules will automatically forfeit your painting privileges and paid fees.
7. Parking spaces will not carry over from one school year to the next. You must reserve a spot each year.

Reserving and painting parking spaces is a privilege, not a right.

This fundraising opportunity will benefit many students, so let's all paint a space!!

Painting outside the allotted parking space, including on the curb, in front of the space, or over the lines may result in a fine or loss of the parking space.
